**Pilgrim Riesling 2024**

*From a single vineyard in the cool climate Darling region, this wine has rose blossom and jasmine perfume sweetness, some pineapple and ripe pear notes. A Riesling that has more sweet aromatics than terpene characteristics, it is drinking beautifully now but with potential for cellaring.*

**Cloudskraal Sauvignon Blanc 2024**

*From a brand new appellation comes this stunning single vineyard Sauvignon Blanc. The vines are 22 years old and come from a vineyard where the altitude is 815 metres above sea level. Compare that to the average altitude of just 150 metres above sea level in regions like Stellenbosch or Paarl.*

**Blake Family Wines Tourmaline 2023**

*A barrel fermented blend of old vine Chenin Blanc, Viognier and Chardonnay. From a special farm in the Swartland region*

---

---

**Blake Family Wines Malbec 2024**

*How rare to find a single vineyard Malbec from South Africa?! This comes from a very cool climate farm outside Cape Town and is a very distinctive take on the varietal*

---

---

**Blake Family Wines Amethyst 2021**

*2021 is regarded as one of the greatest vintages in South African history! A wonderful cape red blend of Pinotage, Shiraz and Cabernet Sauvignon*
